

Explore the spiritual law ‘God is love’ from the book of First John in the Bible, and hear examples that illustrate that law in action.

Learn how a former physical scientist sees parallels between the study of physical science and the study of Christian Science.

# “The Science of Christianity”

**Saturday, April 27, 2019 at 2:00 PM**

a free one-hour public talk by

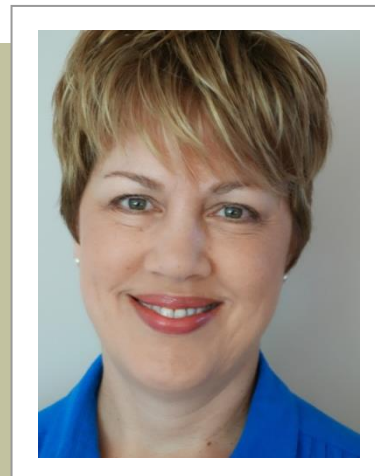

Mary Alice Rose

at First Church of Christ, Scientist, Ottawa

288 Metcalfe Street, Ottawa

All are welcome.

Rose’s interest in science and technology led to a 20-year career in different areas of applied physical science. Her work ranged from a meteorologist for the National Severe Storms Laboratory to a manager developing the ground system for the Hubble Space Telescope. In 2002, Rose made the transition from manager, engineer, and earth scientist to the full-time ministry as a Christian Science practitioner. She is now an authorized teacher of this Science and a member of the Christian Science Board of Lectureship. Rose travels from her home in Brookeville, Maryland.
